

Nebraska's Big Rodeo Parade Rules

YOUR HELP IS NEEDED. In the interest of everyone's liability insurance and the wish to keep all parade spectators safe from unintentional injury, the Burwell Chamber of Commerce has adopted the following rules:

1. **NO ITEM WILL BE THROWN FROM** a parade vehicle, float or animal during the parade. This includes, but is not limited to: any type of candy or edibles, water balloons, advertising or campaign memorabilia.
2. Any and all edibles or merchandise items **MUST** be distributed to parade watchers by a person or persons on foot, who are walking within 36 inches of the street curb.
3. Any person or entry disregarding these rules will be asked to stop their actions. Continued disregard for the rules may result in removal from the parade or will be banned from next years' parade.
4. **PARADE ROUTE EXTENDED:** Due to the growing crowd of spectators who wish to enjoy the parade, all entries are asked to PLEASE "parade" to the intersection of 'G' Street and 7th Ave before disbanding or disassembling your entry. (The corner by the old Legion Club).

THANK YOU for helping keep our spectators, especially kids, safe from wheels and hooves.
